The Medullary portion of the brain, especially of the cerebellum, was softened, and readily broke down upon slight pressure. This condition also existed, in the Pons Varolii and Medulla Oblongata.

Opening the thorax, the peri-cardium was filled with ℥ij of serum, tinged with blood. The Muscular walls of the heart were highly vascular, though there was no adhesions between them and the peri-cardium. The valves of the heart were all normal. Highly organized Embolia were found in the left Ventricle and also in the arch of the aorta. They were perfectly free from attachments.

Within the Pleural Cavity were found ℥ij of Serum, tinged with a melanotic hue. Extensive adhesions of left lobe to the diaphragm and the pleura Costalis posteriorly. They were evidently of some months standing.

Both lobes of left lung intensely hepatized, (Cgd.) with Melanotic deposits throughout their Substance. Four calcareous tubercles were found in the lung substance. They were quite small.

No adhesions were found on the right side of the chest. Lower lobe slightly congested. The upper and Middle lobes, healthy.

Abdominal Viscera not Examined on account an Expected Call of the relatives for the body.

Sir

On account of pecuniary embarrassments, I deem it my duty to tender this my resignation as Major in the 9th Ky Cavalry Volunteers, my private affairs at home being in such a condition that it requires my immediate attention in order to save myself & family from ruin.

I have no Government property in my possession, & owe the Quarter master but (£13-) Fifteen Dollars, which I shall pay before leaving the Regiment. I regret the necessity of this step as my devotion to the Union is & ever shall be for its preservation & the success of the army

Sir

On the 7th Inst
I sent in my resignation on account of
my pecuniary embarrassments at home.
they are as follows my indebtedness amounts to
about $11.000- a large portion of which, I owe
in New York, Philadelphia & Cincinnati. When
the Rebel Army were in Frankfort Ky, my
place of residence, they appropriated my
residence for a Hospital, consequently a great
deal of my household property was destroyed.
They also appropriated some of my merchandise
I have a large amount due me in & about Ky.
with a small stock of goods on hand, with
no one but a young brother to attend to my
business who has never had any experience in
any kind of business & knows nothing about
my affairs, I find that I shall be sued, consequently I tendered my resignation as Major in
the 9th Ky Cavalry in order that I might go home
pay my just debts & save myself & family from
ruin, I have but one relation (Cousin) who is not

loyal, I myself am for the Union, more
so. My health has been delicate for the last
three years. My resignation upon
that ground I do not ground my resignation upon
but upon my distressed affairs at home,
I have worked hard & faithfully in the cause
since the commencement of our National trouble.
I have a Wife & 5 children at home, the eldest is
1 years of age, I write this in order that you
may more fully understand my condition &
so that you might give my resignation your
early attention & if accepted, that I might
return to my home at an early day,
hoping that my resignation may be accepted at
the earliest possible moment I remain

Sir

I hereby tender my resignation as 1st Lieut (Co A) and Adjutant 9th Ky Cavalry. The cause of my so doing it is that my business affairs need my immediate attention, and it would be doing myself an injustice to remain in the Service any longer as my presence is requisite to attend to said business and as my term of Service expires within three months it would not be doing an injury to accept this resignation

I certify on honor that I am not indebted to the Government and that I have no Government property in my possession. Hoping this may be approved

I remain Very

I hereby certify that Chas R. Richardson of Capt Threls Co & Col Jacobs Ky Cavy is now confined by a very severe attack of Pneumonia following measles and is likely to remain so for several weeks. Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by limited furloughs, the following words will state that the discharge was given by consent of the soldier, after a personal examination, and for the reason, the nature, degree, and cause of which are correctly described in the within certificate.

The Army Regulations, Subs. thus

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in syphilis, rheumatism, derangement of the urinary organs, chronic rheumatism, derangement of the urinary organs, scrofula, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the recruit depot to which he belongs and sent by him to the Adjutant General's Office, Washington, D. C., by the first mail after the soldier is discharged. The surgeon will report to the regimental, detachment, or post commander, who will forward with his action endorsed thereon, through the proper military channels, to the Adjutant General, all the documents and papers in the case, the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the Adjutant General, to which they are required to be sent, will be carefully filed in the office of the Adjutant General, the name entered in the register of discharges, and the papers then deposited in the archives of the office, subject to the call of the surgeon general of the army, or the order of the Secretary of War, in all cases of claims for pensions.
